Pencil and eraser

Spiral or composition one subject notebook

2 pocket folder

Graph paper (loose leaf or notebook is fine)

Ruler or straightedge

Colored ball point pens (i.e. blue, red, green)

Calculator - teacher will specify what kind

3-ring binder (can be used for other classes as well)

Physics

Calculator with trigonometric functions

3-ring binder

Ukulele Class

Student must supply Ukulele. The best place I've found for ukuleles in San Diego is the Sam Ash in college grove area. They have a good price range and a solid selection. As far as the maker, my suggestion is that you buy either a "Kala" or a "Luna" with "Kala" probably being the better of the two. I also suggest that you don't go below \$100 but I know that may not be possible for some. So if that is the case, you should stick with the makers I named and just buy in your price range and you will still end up with one that will be fine.

Sincerely, Mrs. Fetterly

US History & World History

3-ring binder

Dividers

College ruled lined paper

White paper

Red, black, and blue pens

Pencils

Fat tipped markers (Crayola style)

Highlighter

US History (AP)
